- People who haven't laughed enough in the last month

WHAT OTHER PEOPLE SAY ABOUT INA HILLEBRANDT

Susan Andrews, Human Resources Manager, Highlands Inn

"I would highly recommend Ina's seminar wherever people need tips on how to mix a light-hearted approach with more serious management styles. Her program truly brings about positive results in increased productivity, motivating people during hard times, and building rapport and trust among staff. Even though Ina's humorous pearls of wisdom were intended for use in our professional lives, participants expressed the benefits of applying them to their personal lives as well."

Barbara Lee, V.P., Research, CBS

"Ina's work was really valuable. She provided important insights that helped us ease employees' adjustment to a corporate merger and reorganization."

Barbara Whitener, RN

"I am very happy I came to *Comic Release*. After a day with patients, I can use all the laughs I can get!"

Dick Coppin, V.P. Prudential Securities

"I would recommend *Comic Release* because humor is important and a lot of people forget and don't use it. It's a great way to get rid of frustration!"

John Lacorazza, V.P., Citicorp, Managing Director, NAK

"Ina's approach is unique and inspiring in fostering teamwork, productivity and creativity. She is also an important link in creating value-added programs."

WHAT OTHERS SAY ABOUT HAVING A COMIC RELEASE

"...medicine consists of amusing the patient while nature cures the disease..." Voltaire

"Almost all new ideas have a certain aspect of foolishness when they are first produced."
Alfred North Whitehead

"If you wish to glimpse inside a human soul and get to know a man...just watch him laugh. If he laughs well, he's a good man."
Dostoyevski

"Jokes ... properly told ... do more to enlighten ... politics, philosophy and literature than any number of dull arguments." Isaac Asimov

"If you find humor in anything you can survive it." Bill Cosby

"A merry heart doeth good like medicine."
Proverbs 17:22

"Humor...should not be equated with frivolity. It can improve creativity, help organizations cope with change, and help employees learn from their mistakes." John Cleese
